Core-Values of Shree Somnath Sanskrit University

Following Core-Values derived from the mission-motto- पूर्णता गौरवाय = meant **"Consummation for glory"** of Shree Somnath Sanskrit University always gives motivation for qualitative performance:

- **Creation of Sanskrit atmosphere –**

  Shree Somnath Sanskrit University vibrates with an atmosphere of Sanskrit on its pious premise. For that purpose some notable programs related to academic and administrative work in Sanskrit are formulated and executed time to time to train the staff to work in Sanskrit language. Also the University tries to make them efficient in Sanskrit conversation and to use easy Sanskrit sentences in their daily routine works. In this very mission and vision the University reaches out the neighboring localities to create a vibration of Sanskrit atmosphere in the light of its mission and vision. Apart from that the University, in this very mission tries its best to make Sanskrit popular in Gujarat State through its various programs such as Sanskrit Shivira.

- **Qualitative Publication –**

  Shree Somnath Sanskrit University, Veraval pays serious attention on the qualitative publication of translated works in Sanskrit; qualitatively approved Research works by subject experts, books on critically edited scriptural literature, unpublished manuscripts along with the publication of rare books. To have the objective fruitful the University organizes work-shop and other allied programs to train the students and staff of the University. Also to generate an instinctive impression in youth brigade of Sanskrit language and literature – the faculties of the University conduct Seminars, Vākyārtha-parishad and Vāg-vardhini Sabha etc.

- **Holistic Development of Students –**

  Keeping the students in centric part of all activities Shree Somnath Sanskrit University is aware of the holistic development of them. Majorly the programs of holistic developments for students stream out into academic development, skill development and physical-mental development. To touch the objective milestone the University forms various programs to make students much more authentic in their adopted subjects of study and the like; such as skill development in proof reading, editing of manuscripts, translation works etc. Also through the creative Sanskrit works the University tries its best to make them ambassadors of Sanskrit language, literature and Indian Culture.

  Through the way of Yoga-training and Sport management the University assures the mental and physical health development of students of the University.

- **Ideal Citizen production –**

  It is an unavoidable fact that best image of a Nation becomes based on the best time needed citizen production. For that purpose, subjects of studies and moral values

teemed curriculum of Sanskrit studies is formed. To create consciousness about National betterment, National responsibility together with *sanskār* development in students, the University works on the principle of all value inclusive syllabus up-gradation and its implementation.

- **Coherence between Vocational & Conventional subjects of study –**

  To make students much more efficient for Vocational Shree Somnath Sanskrit University locates and gathers the scientific, philosophical and the value-oriented portions glittering in Sanskrit scriptures and literature to incorporate in its ensuing curriculum for the betterment of course of study materials of the conventional Sanskrit study in the direction of modern scientific thoughts. By this way University endeavors to minimize the gulf between conventional Sanskrit-scriptural science and modern approach to the natural science with the establishment of an interlinked iota related to both mentioned above.

- **Promotion of new qualitative interesting subject of study –**

  To meet the challenges of modern scientific and of entrepreneurial activities along with the forthcoming challenges verged on competitive enterprise, the University generates suitable condition on its premise through the introducing of new thrusting areas of skill development for students and social leadership understanding development to take variegated social responsibilities. **Quality is a journey, not the destination:** This very qualitative and ambitious teaching-learning culture on the premise of the University shows the journey of constant development to reach out its mission's end.

- **Social Contribution –**

  Through the way of qualitative multidisciplinary research works and social activities Shree Somnath Sanskrit University tries to uplift our inclusive society and inspires people to stand firmly on the path of moral values effacing the feelings of disparity and discriminating elements in their practical life and teaches people for active participation in social works to achieve the National Common goal of peace and prosperity.

- **Future Academic Agenda –**

  The future academic plan of the University will be incorporating some more discipline of study in its curriculum related with social study and the subjects of Humanities with above mentioned course of study related to scriptural science and the like, to make students much more qualified and filled with the practical knowledge of society. The University sees Sanskrit language and literature more than the simply literary color of study and finds its color relation with the Human life system.
